

1930's personalities

1. Research an individual using *one electronic source*.
 2. Create a Bubble Map that maps out the person's life that you researched.
- ❖ You will want to pay attention to information on the life, work (career), and accomplishments or influences of the person you are researching. Use library resources to complete these maps.

Library website databases: <http://www.hartdistrict.org/saugus/library/databases.htm>
(Gale Infotrac, Britannica, SIRS Knowledge Quest)

3. Include the source of the information at the bottom of your bubble map. See <http://hartdistrict.org/saugus/writing/index.html> (Works Cited Link) for an electronic source model.
