Honors Scholars & Bank of America

**O'Connor Photography
Studio (661) 257-3838**

In February, the counseling department will announce Honor Scholars and Bank of America scholarship recipients.

Announcements will be posted on SNN and the Yearbook website. Yearbook will be setting-up a picture day for these scholars.

Since this is close to our final deadline submission, it is important for the recipients to attend this photo session and submit any paperwork in a timely manner. A make-up session will not be guaranteed and Yearbook may not have time to add your picture in.

Spring Supplement

As compared to the past three years, we will not be completing a spring supplement. Therefore, all senior and sports events will be covered in the main book. This means that graduation and prom will not be covered in the book.

2010 Yearbooks for Purchase

- Yearbooks for purchase - \$100 cash only
- Only 1 book per person
- Limited Quantities
- Reorders **NOT** available
- First come, first served basis (regardless of grade)

2010 Winter Photos

Remember – at the start of the year, we will be requesting photos from your summer vacation. Listen for this announcement at the start of the year. It's an easy way to guarantee that you will be pictured in the yearbook!

Send them directly to ctolisa@hartdistrict.org along with a brief description. Don't forget!

Senior Tribute Ads Follow Up

At this time, all tribute ad proofs and photos have been returned through the mail. If you have any questions regarding your tribute, please contact Ms. Tolisano at ctolisa@hartdistrict.org along with a brief description.
